
NATIONAL COALITION
FOR THE PROTECTION OF
CHILDREN & FAMILIES

Dear Counselor:

The National Coalition is a Christian nonprofit organization dedicated to moving the people of God to embrace, live out, preserve and advance the truth of biblical sexuality. In response to those individuals and families impacted by sexual abuse, sexual addiction and pornography, the National Coalition provides a Confidential HelpLine (800-583-2964). HelpLine services include telephone counseling, educational materials, and other resources. In addition, we refer our callers to counselors or organizations in their communities for ongoing treatment and support. We also offer consultation to other professional organizations, clinicians and pastors regarding sexual compulsivity and abuse.

This letter is to invite you to become a part of our referral network and a part of our database. Every day we receive calls from communities not yet listed in our network. Finding counselors who have experience in treating issues such as sexual addiction is important to our callers. Although there is no cost to be a part of this network, we ask that you complete both pages of the attached questionnaire and return it by fax to (513) 521-6337.

Our mailing address is:

Your signature gives us permission to contact the references you have listed. Once we receive the completed references, we will notify you of your acceptance.
