YOUR HARD WORK and the **GIVING** of **YOUR TIME** and **MONEY** is **GREATLY APPRECIATED!** To help us receipt all donors **please print clearly** the name, home address and E-mail address of each donor. We need this info to account for each donation or pledge by a new donor. Also, when they give cash and you write a check for the whole amount we are then able to receipt the individual. If someone asks to not be placed on our donor list please note that next to their address. Thank you so much for your help, Rick.
